St. Clairsville, April, 9th, ' 5-19.

PROF. WOOD'S

HAIR RESTORATIVE.

THIS preparation, although less than two years before the public, owing to the wonderful effects upon the human hair and scalp, has aircady obtained a celletic and sale perfectly unparalleled. That this preparation will actually

Restore Gray Hair to its Natural Color,
projuce luxuriant growth upon the heads of the bald,
prevent the hair from falling off, and when used as a
fullet article produce a continual flow of the natural
fluids, and thus render the hair soft, glossy and wavey,
destroy diseases of the scalp and expet dandrun!, the
certificates of distinguished gentlemen and ladies in
every part of the connery, who have tried it, and therefore speak what they know, most fully attest. That by
a proper use of the restorative the hair can be made to
retain its instural color to almost any age adouted to
humanity, by removing the cause of the disease from
the scap — no matter how long standing—the concurrent testimony of the press and the certificate of onmerous respectable individuals of both sexes leave no
doubt Circulars containing full particulars relative
to the use of this curative, as well as the recommendations of editors and certificates before alluded to, can
be had of all agents. For safe y

GREAT ENGLISH REMEBY. THE MOST VALUABLE Spring and Summer Medicine in the World!! DR. HALSEY'S

FOREST WINE. ATRONIZED BY THE NOBLEY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY MED-ICINE'IN THE WORLD. O

Medicines containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wirk is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wirk combines the virtues of the

Wild therry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single hottle restores the Higering patient from weakness, debility, and sickness, to strong and vigorous health. Every does shows its good effects or the constitution, and improves the state of the health. The Forser Wisk is recommended, in the strongest terms, for all complaints of the Constitutions, and improves the state of the health. The Forser Wisk is recommended, in the strongest terms, for all complaints of the Constitution, and improves the state of the health. The Forser Wisk is recommended, in the strongest terms, for all complaints of the Constitution, and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the Somach, makes the skin clear and healthy, and restores the Constitution, enfeebled by disease or broken distingth.

For the Ladies, it is incomparably better than all the signer.

For the Ladies, it is incomparably better than all the segment.

Saved from Death!

Saved from Death!

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N.J.,

Dr. G. W. Halary:—I believe your Ferest Wine and Pills have been the means of saving my life. When I commenced taking them I laid the point of death with Dropey, Pfles, and Ashma. My popsicians had, given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation your Forest Wine and Pills were procured for me, and hox of Pills, I experienced great relief; my body and timbs, which were greatly swollen, became sensitive reduced. Hopes of my recovery legan now to revive, and after continuing the use of your medicines for about a month, the Files and Ashma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Your, respectivity.

specific influence upon the lungs and their connects organs. Its inservant green is to alloy all irritation specific influencement, the lungs and their connected organs. He issuedrate server is to slivy all irritation and gently remove the phlogon and other morbid secretions from the Throat and Air-Passages, thus relieving the Lough, by subduring the splending the subduring the splending the subduring the splending their causes which give rise to it. It also stimulates and imparts a healthy tone to the Lough themselves, thereby can bling them more thoroughly to remove from the blood those impurities and diseased particles, which, if retained, do so much mischief in the system, and lays the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and assists nature in expelling through the Exhalents, much of that morbid matter which would otherwise be thrown back upon the Lungs, thus relieving them of a part of their work, and rendering the system pure and beathy. When to berches are forming, it checks their development and further progress; or if ulceration has taken place, it assists the lungs in throwing of the corrupted matter, soothes the irritation, heals the ulcerated cavilies, and restores then again to healthy action. This medicine, therefore, is not a publisher merely, which only relieves for the time being, but is a rungorum cenarity, as it strikes at the very root of the disease, and by re soving it, removes at once all its remove and attendant consequences. This is its distributioned matter, when the property possessed, in equal power, by no other medicine of the nature, now before the public.
